manuFACT
DESSERTS

Fortech LLC offers these tasty treats to further accelerate your business profitability and scalability.

PERPETUAL LICENSING

Fortech’s licensing transitions to a Perpetual License at the end of Year 5, eliminating your financial exposure.

RISK MANAGEMENT OPTIONS

If you are not totally satisfied with Fortech’s MES Platform, you may exit out of our agreement at the end of Year 2.

REFERENCE CENTER

For those enterprises wishing to choose a Training Center for other plant personnel.

CATALOGUE AND AUDIT

All Pilot Line and Pilot Plants are audited and successful integrations are Catalogued.

RETURN ON INVESTMENT SCHEDULE

Typically Running on a 10:1 Ratio Including Corrective Action Investments.
